DATE MAILED:

Please find below a communication from the **EXAMINER** in charge of this application
Commissioner of Patents

The communication filed on 11/4/02 (Paper No. 7) is not responsive to the communication mailed 10/4/02 (Paper No. 6) for the following reason: the amendment filed 7/31/01 still has not been amended properly under 37 C.F.R. 1.121(c)(1)(ii), i.e., a marked up copy of amendments to the claims must show all the changes relative to the clean copy. Specifically, the claims in the marked up and clean copies do not appear to be the same claims (see claims starting with claim 20, i.e., in claim 20 the limitation "according to claim 18" vs "according to claim 19" in the previous version of the claims).

Since the response appears to be **bona fide**, but through an apparent oversight or inadvertence failed to provide a complete response, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication should be directed to Examiner **Marianne DiBrino**, Art Unit 1644, whose telephone number is 703-308-0061.

Any inquiry of a general nature or relating to the status of this application should be directed to the Technology Center receptionist whose telephone number is (703) 308-0196.
